

Adrian Gordey Transported into Maryland

On 08 June 1675 William Brereton proved his right to 350 acres of land in Maryland by transporting seven people including Adrian Gordey into the province to inhabit. The original of this document is located in the Maryland Land Patent Records, as recorded in Patent Book No. 15, folio 318. In 1836 a sequence of early patent records were re-transcribed into Liber (Book) LL. The stamp "Folio" followed by 318 indicates the beginning of folio 318 in the original document. This copy was made from microfilm SR 4327-1 housed at the Edward H. Nabb Research Center for Delmarva History and Culture, Salisbury University in Salisbury Maryland.
